Re: Docket Number: 98P-0203/CP

To Whom It May Concern:

I am writing to you in regards to a petition filed with your administration to help stop the forced molting of egg-producing hens. Please help to eliminate this practice as it is cruel and inhumane. I am currently boycotting the egg industry until something is done to prevent this horrible practice. Thank you for your time and consideration.

Sincerely,

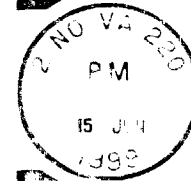

A handwritten signature in cursive script, appearing to read "Jill Goldstein", with a long horizontal flourish extending to the right.
